

## WALSHAM-LE-WILLOWS PARISH COUNCIL MEETING

MINUTES of meeting Tuesday 12<sup>th</sup> June, 2018

PRESENT Cllrs. Barber, Belson, Bloomfield, Kinnair, Lunken, Roberts.

### 1 FIRST BUSINESS

1.1 Apologies: Cllr. Dunn

1.2 Approval of the Minutes of the last meeting held on the 8<sup>th</sup> May 2018 was proposed by Cllr Belson and unanimously agreed with amendment to 6.13 which incorrectly noted a £15k transfer to reserve. This should have noted a transfer reserve of £23,036.42 leaving a balance of £15k in the current account as at 31st March 2018. Cllr. Belson also noted that the year on the end of year statement was incorrect in one place. This was corrected to 2018 by hand.

1.3 No pecuniary or non-pecuniary interests declared

1.4 No applications for dispensation.

1.5 Public Open Forum – no members of the public were present

1.6 Jessica Fleming's Report- Jessica's report available on the Parish Council website at <https://www.walsham-le-willows.org/explore/governance-community/parish-council/> – Jessica's report included for the County, Changes to senior positions, Home to School Transport, Suffolk Day June 2018, On call Fire, and for the District, Tourism Strategy, Planning (verbal report) and Public Access reminder.

Council raised a number of matters with Jessica: SIDs, issues with responsiveness of Dynnic, the company initially charged with assessing site locations; Jessica confirmed that there had been problems and that this is now being handled directly by SCC again. ACTION Clerk: Let JF know if we have not heard anything by end of week.

Post Office, Cllr Barber reported that this cannot be progressed until middle of July; JF agreed to chase if it does not progress as expected.

Clerk raised again the issue of quality control and value for money of road repairs. Although it appears that these were completed to a better standard this time, pot holes remain adjacent to repairs, many touching the edge of the repair. ACTION Clerk: send images of examples.

Councillors and Clerk also raised again the issue of the carriageway outside the Six Bells still being in an unsatisfactory state. Clerk gave JF the report reference: 00208911 for follow up.

Cllr Barber raised issue of incorrect location of disabled bay markings that had been incorrectly positioned outside The Old Bakery rather than The Old Bakehouse. JF to request that it is moved.

The Clerk reported the school children sign that has fallen has been removed rather than re-erected which seems perverse given the issues around school safety particularly with all the attention that the new development has focused on the Wattisfield Road traffic situation.

**ACTION Clerk:** send report reference to JF – 00208910

Clerk raised issue of roadworks.org alerts which are still being sent out with some works being just days away despite having reconfigured the automated alert as was suggested.
