Draft Joint Local Plan out for consultation

Residents are being invited to have their say on the future of growth across two Suffolk districts, as Babergh and Mid Suffolk open a second round of consultation on their new draft Joint Local Plan. The draft Joint Local Plan proposes a set of planning policies that will be used to inform decisions on planning applications and appeals over the next 18 years, up to 2036. Residents can take part online, or by visiting one of 18 public consultation events planned across the two districts.

CIFCO Business Plan for 2019/20 agreed

Meetings of Babergh and Mid Suffolk's Full Councils have approved CIFCO Capital Ltd's future plans, looking to increase the £1.4m annual income it already generates for the districts' through property investment – the equivalent of increasing council tax by more than 12%. CIFCO's business plan for 2019/20 will now form the basis of its trading over the next 12 months – including the investment of a further £50m agreed by both councils back in February. Councillor R Meyer has been appointed a director of both Cifco and its parent Company.
