COVID Vaccination Programme – The Suffolk & NE Essex Clinical Commissioning Group (CCG) has developed a web site for Suffolk residents about the vaccine rollout, call up process, and about web based public engagement sessions [SNEE NHS COVID-19 Vaccination Service website](#).

Consultation: Post-16 School Travel Policy - The consultation on proposals for 2021/ 2022 closes on **15 February 2021**. Key elements are:

1. Annual cost increase for travel and cost of a spare seat as previously agreed by SCC in 2018.
2. Post-16 policy to support students attending their nearest Suffolk school sixth form
3. Clarify Suffolk County Council's Independent Travel Training scheme.

Details of the policy can be found at www.suffolk.gov.uk/post16travel.

Recycling Centres – The online booking system is operating for recycling centres. Also refer to the Suffolk Recycling Xmas page - www.suffolkrecycling.org.uk/green-christmas

Recycling and Get Recycling Right Campaign - The Suffolk Waste Partnership is promoting an information campaign about what can be placed in recycling bins. Not all items labelled as recyclable are suitable for the bins, some items such as cartons should be brought to recycling centres. Information about what you can and can't recycle can be found at www.suffolkrecycling.org.uk

Please note that garden waste collection remains temporarily suspended due to pandemic related staff shortages.

Public Consultation - A12 improvements - A14 at Seven Hills to A1152 at Wood Lane, Melton ("the A12 Scheme") includes proposals for additional traffic lights. Commences 9th Feb - 19 March. Details are available at www.suffolk.gov.uk/A12improvements There will be two public virtual events where people can hear a presentation on the proposals and ask questions – details and link available on the webpage.
